

Brian C. Anscomb

Member

Brian C. Anscomb focuses his practice on intellectual property matters, with a particular emphasis on patent law.

Brian is experienced in the preparation and prosecution of U.S. non-provisional, continuation-in-part, continuation, divisional reissue, and divisional patent applications in the chemical, mechanical, electrical, and electronic arts. He is knowledgeable in the preparation and filing of IDSs, RCEs, Requests for Reconsideration, Amendments, 131 and 132 Declarations, Notices of Appeal, Pre-Appeal Brief Requests for Review, and Appeal Briefs. He conducts telephonic and personal interviews with the United States patent examiners on behalf of his clients. Brian has worked extensively in the management of foreign patent applications extending from the nationalization of international patent applications under the provisions of the Patent Cooperation Treaty (PCT). He also renders non-infringement opinions, patentability opinions, and freedom-to-operate opinions.

Brian has conducted trademark searches, rendered trademark opinions, and filed trademark applications in the United States Patent and Trademark Office. He has also prepared and reviewed licensing and purchasing agreements for patents and trademarks.

Prior to joining Norris McLaughlin, Brian practiced patent law at Oliff & Berridge in St. Louis, Missouri.
